In addition, all current \$100 deductible policyholders will be rolled up to the \$500 deductible level at renewal and all current \$250 deductible policyholders will be rolled up to the \$500 deductible level at renewal for Fire, Extended Coverage, and Vandalism and Malicious Mischief. Currently, approximately 6% of our policyholders are at the \$100 deductible level and approximately 34% are at the \$250 deductible level. Moving to these higher deductible levels will result in rate reductions of 3% to 7.5% for the Fire Coverage and reductions of 12% to 25% for the Extended Coverage and Vandalism and Malicious Mischief. \$500 will now be the minimum deductible available to both new and renewal business. In conjunction with these deductible revisions, we will be complying with the 60 day pre-notification requirement regarding renewals with a change of conditions.
